The Newbie table

If you have not played before (or feel like you need some help) let me know and you will be placed opposite a fellow newbie for mission 1 (or the tournament organiser who will be nice. I promise.) I will be bringing 3 fleets for newbies to borrow: Basileans, Empire of Dust and Elves, if you wish to borrow them for the event let me know!

Mach ups

Player match ups will not be ranked. You can request to play someone you think will be a good match or I can match at random.

Keep note of your Ship Points.

At the end of each game write down the total damage in ship points you did to your opponent's fleet and the number of SP you lost in your game.
